Description

The first draft of the Alternative Transportation Plan (ATP) 2015 Update document is included in the Commission's packet. A summary of the ATP Update will be provided to the City Council on January 12th and the Parks, Arts and Recreation Commission (PARC) on January 14th. Staff would appreciate the Commission's feedback on the draft document. The presentation will focus primarily on the Implementation (Section Four).

The draft plan will be available on the City website for review and public comment by late January. An open house to solicit public feedback on the draft ATP Update will be held on Thursday, February 12 from 6:30 to 8:00 p.m. in the Council Chambers.

Following public input, a final draft of the ATP Update document will be compiled and then presented to the Commission for a recommendation to the City Council, likely in March.
